ASTON LOUIS PARQUET PIEDRA LAMINAT FLOORING

Taş ve çimento görünümlü AstonLouis Piedra laminat parkenin en iyi özelliklerinden biri taş gibi soğuk olmaması ve hızlı bir şekilde montajının yapılmasıdır.Şık endüstriyel, çimento ve taş gibi bir görünüm Piedra Laminat parke ile kolayca elde edilebilir. Bütçe veya uygulamaya bağlı sınırlamalar nedeniyle diğer döşeme seçenekleri mümkün olmasa bile, çimento ve taş laminat parkeler, kurulumu kolay, nispeten ucuz ve bütçe dostu bir döşeme seçeneğidir.

Piedra Laminat parkeler modern bir görünüş sağlar.Taş ve çimento görünümlü olması su geçirgenliğine engel değildir.Ürünlerimiz % 100 ahşap'dan üretilmiştir.Beton, mermer ve arduvaz gibi moda uygun desenleri içeren çok çeşitli gerçekçi renk ve stil seçenekleri 32 Class AC.4 8MM*300MM*1200MM olarak üretilmektedir.

One of the best features of AstonLouis Piedra laminate flooring that looks like stone and cement is that it is not as cold as stone and it can be assembled quickly.Piedra is stylish, industrial and looks like cement and stone.

It can be easily obtained with laminate flooring. Even if other flooring options are not possible due to budget or installation-dependent limitations, cement and stone laminate flooring is an easy to install, relatively inexpensive and budget-friendly flooring option.

Piedra Laminate flooring provides a modern appearance. Its stone and cement appearance does not prevent water permeability. Our products are made of 100% wood.

32 Class AC 4 8MM * 300MM * 1200MM are produced in a wide range of realistic colors and styles including fashionable patterns such as concrete, marble and slate.
